Principal's Report

Dear Parents and Families,
This is the last week of Term one, which has flown by with swimming and re-acquainting and introducing some students to the school routine, our values and encouraging students to have high expectations of themselves as learners. Students should be proud of what they have achieved already.

Our Wednesday 'Cuppa and Catch Up' is on again tomorrow and I would love to take this opportunity to chat to as many families as I can especially before our two week term break.

Last week I was invited to Morning-tea with **Mark Hederman**. We had an interesting chat about what was going well at ONPS and what we could do better. Thanks, Mark!

This week our awards went to **Melody Mull and Silas Martin** for their great work ethic at school. Well done.

Head lice have raised their ugly heads again so please check your child's hair and

treat them appropriately, we all know how much they love clean hair. Please have a close look and treat hair over the holidays.

The JSC have been very busy organising our end of term celebration. **On this Friday** we will be holding an **Easter Disco and fun day.**, involving craft work, dancing, egg hunting and socializing.

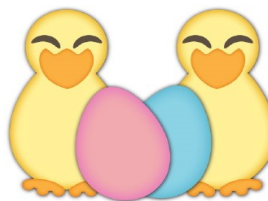

Students from Marlo and Year 3's from Orbost Primary will be joining in the activities from 10 until lunchtime. This will be a great way to begin some of our SREC (Snowy River Education Community) activities for the year.

Please help your child **dress up** in something fun, maybe from the Op Shop, to make the

day fun!

There will be a short assembly at 2pm to announce the Easter egg raffle winners and the Term one student book awards (one from each class). Please come along and bring your raffle tickets!

Cheers,

Jo Dacy-Broome

Bicycle maintenance

A **HUGE** thank you to Ray Quigley for his great work with repairing and maintaining our bicycle 'fleet'. The kids really enjoy being able to ride the bikes at recess and lunchtime and it's great that Ray has been helping out by volunteering his time to help keep the bikes in good and safe working condition.

Volunteer Helpers

We also have many other volunteers helping out at school and this assistance is much appreciated by all. Having parents, other family members and others in the school has a wonderful effect in helping make our school a welcoming, safe and worthwhile place for all our students to thrive, feel 'at home' and most importantly learn to the best of their ability. **Thank you everyone!**
