Principal's Report

Dear Families,
Thankyou very much to **Robert Cameron, Geoff Morgan and Robert Leatham** who worked hard on the weekend to make our playground safe again. School Council will be looking at quotes for more shade sails at our next meeting on June 11th. It looks like we'll need to do some more fund-raising!

On that, **thanks to Belinda Knight** for doing the raffle at Marlo last Friday night, every bit helps.

This week we hold our clubs afternoon on Wednesdays

again, we are one teacher short for a while however so there may be some changes. **There is still time to volunteer to take 4 students fishing every second Wednesday from 2pm to 3.15pm, however so please let me know!**

This week our Student of the Week awards went to **Riley Tormey, Sophie Knight and Dylan Walker. Congratulations!**

This week **Winter Sports continues on Thursday afternoon at Lochiel park.** Your student in Years 3-6 will be in Soccer, Footy, T- Ball or Netball, so please bring running shoes.

Then on **Monday next week all the Year 3-6** students will be catching the bus from ONPS at 8.45am and returning at 3pm. There is a \$5 cost for the bus, please. Notes must be back ASAP. Don't forget runners, bottle of water and lunch.

Today the Prep-2's went to Newmerella to participate in a lovely interactive performance of "Alice", with singing and dancing. Thanks to the Shire for organizing this free activity.

The Year 5/6's will be returning to NPS again on Friday morning to participate in literacy activities based on their shared camp to Canberra later this year.

This Friday afternoon we will once again share in a sporting afternoon with Marlo's Prep-Year 2's. Our students enjoy this extension of their social networks very much.

It's great to see the schools in our cluster working together so well sharing time, resources, expertise and giving all of our students the chance to socialize with peers in their community. Enjoy your week!

Cheers,
