Principal's Report

Dear Families,
We're very proud of our students who went down to the cross country in Goose Gully yesterday, they all ran well and their behaviour was fantastic! Thankyou to Andrea for accompanying them and to Mr Pashos and Marlo for taking our students in their bus. **Congratulations : Natalie, Allison, Blayne, Lochie and Tyler!**

Morning Tea with the Principal was with **Shaun Barling**, who is

doing a great job at his new school. Well done, Shaun!

It is important for students to wear uniform as it gives them a sense of pride and belonging. We have been using uniform from the Lost property box to enforce this policy. There is a price list of uniform bar-

gains available from school, before 9.30 and after school.

This Thursday is our last MSN2 Winter Sports practise at ONPS before we take the teams further.

Last week the older students practised their procedure reading and writing by making pancakes for the school. I believe everyone gave them a rating of ten out of ten!

Pancake party

Rating: 10/10

On Friday the whole school ate my pancakes,

Sam, Tommy, Lockyer and I. They were delicious! We cooked them on the BBQ and they were really good to

eat and everybody thought they were delicious

Pancake Recess

On Friday our whole school ate pancakes at recess. I think it was 10/10. I got 3 pancakes, on every one I had strawberries, maple syrup and cream. They were fabulous! Sam cooked the pancakes And he cooked them well!!!!!!!!!!!!!!.

Public Holiday—Long Weekend

Please don't forget that next Monday is a public holiday for the Queens birthday—no students are required at school on this day—enjoy your long weekend with your children!

School Sores (Herpes Simplex)

We have seen incidence of school sores (or Herpes Simplex Virus—HSV) about. It is very important that good personal hygiene is practiced to prevent the transfer or spread of this virus. As this virus is transmitted by contact, any school sores in exposed areas of skin need to be covered if children are to attend school. Children with severe cases of infection must not attend school.

HSV can be treated with an iodine solution available from a pharmacy—please seek medical advice in regards to treatment. Newborns, children with burns or eczema or immunosuppressed people are particularly susceptible to this virus.

Active After School

For this term, Active After School will run on Mondays and Wednesdays.

Uniform specials

Please remember that in order to reduce the amount of uniform stock held at the school there are a number of items of school uniform available at reduced prices.

Report giving day / Parent Teacher interviews

On Friday 21 June teachers will be available to meet with parents for discussions about their children's progress and for parents to receive their child's report for the first semester this year. A time table is available in the office for parents to choose a time to meet with their children's teacher/s.

Lost Property

There are many items of uniform and other clothes currently in our lost property. Please come and check the box if your children are missing any clothing items that may have been left at school.
