Principal's Report

Dear Families,
I hope you all enjoyed the holidays as much as I did...the sleep ins were great!

It was really fantastic to see everyone's smiling face yesterday morning looking smart in their school uniforms. Everyone got straight into work and really took to their new "Writers' Notebook", which they'll all write in everyday.

It was however very disappointing to see the vandalism at the school that had taken place during the holidays, if anyone has any information about it please let me or the Police know.

Lunch orders will still be on this Friday, we will be using the Orbost Bakery this semester.

The Year 5/6 group were still excited and full of stories after their trip to Melbourne for their DOXA camp. I'm still not sure whether the highlight was Bounce (full of trampolines) or walking out on the Eureka Skydeck !

Due to our very wet weather last term, we weren't able to compete in the District Winter Sports, so those who had paid will be refunded. Our next sporting competition will be Athletics.

Term Awards

Last term the book awards went to **Joshua Crause, Henry Hallam, Dylan Millard and Tyler Knight**.
Congratulations to all of you.

Could all the Prep parents, who haven't returned the School Nurse information sheet, please do so as soon as possible!

Cheers,

Jo Dacy,
Principal

WEEKLY AWARDS:

WINNERS: This week we will be looking for students who are clean and tidy.

WHAT'S ON

July 22—Active After School

**July 24—Active After School
School Council meeting**

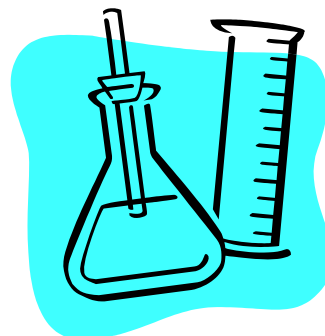

Active After School

The next Active After School session will be next Monday. Active After School will once again be on Mondays and Wednesdays.

Science News

Thinking about strategies in Science!! Tyler Knight has devised a great way to remember the order of the planets in the Solar System. He created a mnemonic (a poem using the first letter of each planet) "My Very Excited Mother Jumped Somewhere Under Neptune" (Mercury, Venus Earth, Mars, Jupiter, Saturn, Uranus, Neptune). Great work!!

This term we are studying Chemical Sciences. Could students please collect empty chip packets for a science experiment.

Lunch Orders

This semester student lunch orders will be supplied by Orbost Bakery—price list is attached. Lunch orders need to be placed in the container in the office Friday morning to be collected by the bakery with lunches being supplied for Friday lunchtime. Orders should be written on a paper bag with the students name and correct money enclosed.

Uniform specials

Please remember that in order to reduce the amount of uniform stock held at the school there are a number of items of school uniform available at reduced prices.

Attention Junior Netballers

Training will recommence this Thursday, 18th July 2013, at 3.30pm for all interested girls. This includes any girls who have been stepping up from Net-Set-Go to fill in gaps in Junior Netball.
