Principal's Report

Dear Families,

Thankyou to all the students, parents and staff for the warm welcome, support and best wishes yesterday as I commenced my role as Acting Principal. I will be replacing Jo whilst she prepares and celebrates her wedding for the two remaining weeks of Term 3 and the first two weeks of Term 4.

I am already getting to know many of the students and I'm enjoying teaching and working with them in Literacy.

At Monday's assembly I was privileged to award the following students certificates for their outstand display of good manners.

Congratulations: Tommy Brooks-Verrent, Dusty Bommer, Khiah Egan-Lee, Alex Knight, Kaylee Cameron, Dylan Walker Chad Sinclair.

Next week our Values Program will focus on helping students to develop positive talk and supportive behaviours which encourages all students to **get along with other** .

Today we visited Marlo Primary School, as a part of "Kids Teach Kids Week", to listen to students from Newmerella and Marlo Primary School's present their scientific findings- compiled through a number of weeks of investigation and study. We congratulate all the presenters and commend them on the outstanding job they did.

A reminder that tomorrow is the last day for Lets Play Schools for Term 3. Mrs Russell has a great program planned and we look forward to seeing all Kinder kids here as it helps them to learn more about what school will be like for them next year. The program starts at 9:00am and concludes at 10:00am.

Heads Up

To celebrate the end of Term 3 and Footy Colours Day, our Parents and Friends committee are preparing a special Footy Lunch Day. So get in early and return your order forms to school with the correct money before **Monday 16th September** (Order Forms are attached to this newsletter). Don't forget to keep your footy jumpers out, even if your team is not playing in the finals, so you can wear your jumper with pride on this special day. .

Michelle Young
Acting Principal
