## Principal's Report

Dear Families,

Swimming is well under way and students are progressing already with the two lessons in one day. Please read a few of their recounts that I've included in this Razzle, which express beautifully the way they feel about swimming.

**Clubs** continues tomorrow, the last one for this term as we'll start practising some short musicals for later performance. We hope to continue with this very successful Clubs program next year, so if there is something you could offer our students in

the way of a hobby, sport or craft, please come and talk to us.

This week our various awards went to: **Dylan Millard, Lochie Tormey, Shakira Clarke, Chad Sinclair, Jacob Richards and Natalie Rixon.**

Last week Lochie Tormey joined MSN2 at Bairnsdale for the District Athletics Carnival, he achieved a **First in Long jump and a third in Triple jump!** What a fantastic effort, so today he's competing at Newborough at the Regional Athletics as well. I'm sure he is doing his best and will enjoy the experience.

Unfortunately Kanga Cricket was postponed to a time that doesn't suit us, better luck next year.

Coral and I would like to sincerely thank our parents who have been busy contacting new books, both at school and at home, we greatly appreciate this. Now Coral can catalogue them and get them onto the shelves. We have more contact for the next helpers when they're ready too.

**Reading** every night at home is still a very valuable support for your child's literacy. Promoting this pattern especially in young children is especially important. We have noticed some student's are "forgetting" their home reading books far too regularly. Please help them to get their readers to school, daily.  
Cheers,

*Jo Dacy-Broome*

#### **Swimming recounts.**

I walked into Lakes Aquadome and I felt clammy. I was happy and proud of myself. I was scared the first time but I wasn't scared the next. My teacher was Paul. Paul was a nice teacher. We even swam to the green noodle and did some torpedoes. I can't wait for tomorrow.

I walked into Lakes Aquadome and I smelt the chlorine and it brought me into happiness. When I jumped into the pool I felt happy to feel the water push against my body. When I am in the water I feel proud to be in the highest group. I wear goggles to help me swim and I like to see the bright blue water. My favourite stroke is backstroke. When I backstroke I feel relaxed.

By Lochie Tormey Year 6

I walked into the Lakes Aquadome I could just tell that the water was warm. As soon as I got in I didn't want to get out. When I swam freestyle I felt strong. When I did backstroke I didn't really like it, but when I did dolphin kick I felt light in the water. After I got dressed and got on the bus I felt proud of myself.
