Principal's Report

Dear Families,
I hope everyone enjoyed the Easter break and are looking forward to a slightly longer term, complete with bike riding camps, NAPLAN, winter sports and mixed activities with other small schools.

Last Friday of term one was extremely busy and successful with the year 5 /6's going canoeing in the Orbost pool with Tony Paganella and Mrs Young which was according to all reports, great fun and not too cold! Also that day we had a lot of help from people and donations which made our bike work-

shop a very practical and productive day for everyone at Orbost North with lots of bikes now available for children to ride over lunch time.

On the Thursday morning before, the Year 4-6's competed in a golf competition at the Orbost Golf Club, which they all enjoyed.

Then we were delighted with the response with families joining us for the student made Italian Lunch. Thank you all for your wonderful support of this event . I would especially like to thank **Belinda Knight, Andrea McCrae, Chantelle Parsons, Roger Mull, Steve Archer, Jan Hearl, Christina Richards, Robert Cameron and Sharmaine Martin** for their valuable donations of time, food, bikes and bike parts and other things.

We are delighted to welcome a new student in Year 3, her name is Kyah Jones, we hope she feels most welcome!

Next week we are beginning our first term in the pilot program called “Sporting Schools”. This is a little like the Active After School program. We will be running four half hour sessions of sporting games at lunch times with Andrea and Chantelle and one afternoon session of an hour after school each week on Wednesdays with Steve running from 3.15 to 4.15pm. If you would like your child to be involved please collect a permission form from the Office.

This is a terrific way to keep our children healthy and active.

Cheers,
Jo Dacy-Broome
