Bad Jelly The Hungry Witch.

By Kyah Jones Year 3

On one stormy and spooky night, a little girl laid in her bed and couldn't get to sleep no matter how hard she tried. She saw a shadow fly across the moon. She got up and ran to her mum. "Mum" she said. Her mum was not there. "Wake up". She ran to the living room, "Mum" she yelled. Her mum was in front of the fire "Mum" she said and cuddled up to her.... But it was not her mum. It was the witch!! The witch said "I'll eat you up with chicken soup" "AAAAH!"

The witch had some nice soup "yum yum" said the witch and her friend as they ate.

\$125 per Primary School Student "Camps, Sports and Excursions Fund"

Department of Education and Training has launched the Camps, Sports and Excursions fund which helps to support families school costs for camps, sports and excursions. To be eligible for the fund, a parent or legal guardian of a student attending school must on the first day of Term 2 or Term 3 hold a current Health Care, Pension or Veterans card or be a temporary foster parent. **An application form, available from the office, must be completed and returned before the end of term.** Payments of \$125 for primary school students are made directly to the school to be credited to eligible students against charges for camps, excursions and sporting activities. Should any funds remain at the end of the year these are carried forward to be used against next year's charges.
