Principal's Report

Dear Families,
Sadly we say goodbye to Dylan Walker this Friday, but wish him and his Mum all the best in their new life at Churchill.

This Friday another Dylan (Millard) will be going to Bairnsdale to represent MSN2 in the relay team at the District Athletics com-

petition. Good luck and well done, Dylan.

Yesterday we had a number of awards for students applying themselves well to individual challenges. **Well done to:**

Sophie Knight, Dylan Millard, Jazzy Martin, Holly Schaefer, Sara Tatti and Jessie Hearl. We also had reading raffle awards for **Holly Schaefer and Jimmy Cameron.**

This Thursday we will be joined by a local teacher and now Author, Katie Howard to read us her new children's book and I'm sure she will inspire our students with their own story writing.

Thankyou to the parents who ran our raffle at the Marlo Hotel on Friday night, they raised \$205 for our school activities!

Sporting Schools is running on Monday and Wednesday afternoons this term and two lunch times a week.

Junior School Council is running **Footy Colours Day** next Wednesday where your children's gold coin donation will go to

support cancer research. Children can dress in footy colours from any league and will design their own in the afternoon!

Don't forget the Parents and Friends' Fathers/Pop's / Uncles Day stall this Friday.

Next week I will be starting 2 weeks long service leave and will be leaving the running of the school in the capable hands of Michelle Young, who will still be teaching and Acting Principal as well. I'm sure she'll do a great job and run the Mystery tour efficiently! First clue is: it's too far to walk to there and back in a morning.

Cheers,

Jo Dacy-Broome

Term 4 Swimming Program

From the first week of Term 4 students will be able to participate in swimming lessons with qualified swimming instructors at Lakes Aquadome. Students will have 10 lessons (two per day) over 3 weeks.. The bus travel will be free of charge—thanks to

the Parents and Friends subsidy—and students will just need to pay for the swimming lessons—\$74 per student. If you receive CSEF you may have a credit which will go toward this so please ask at the Office. Great value and just right with summer water fun not far away! You can start paying the lessons off right now. Permission forms will be sent home later in the term.

Student Banking

Our **school banking day will be Tuesdays**. Many thanks to our banking volunteer Jodie.

School Payments

Please note that school payments can be made via direct credit to

BSB 313-140 Account 12004000.

Literacy skills

Grade 2 and 3 students want you to test out your Literacy skills with a 'word find'. This week's word find puzzle has been created by Chad.
