If you would like to send a small amount of money with your child on Thursday they can make their purchases and Mums will be surprised!

Please note the changed days for Sporting Schools! **TUESDAY AND THURSDAY**.

**Mobile phones, I-Pods and I-Pads etc are not encouraged at school.** Unless students are asked to bring them from home for a class activity. Even then the items will be stored by the teacher or Principal until Home time, when not in use in class. This is for a number of reasons: we can not guarantee their safety; we can't control the material and it's appropriateness for all students who will come into contact with it; we encourage students to socialize at school, playing

various games outside with their peers at play times and most research confirms that children should not spend more than two hours a day on these devices. If you would like to discuss this matter please take it up with myself or one of the teachers.

A big thank you to the three students from Orbost Secondary College who began maintenance work on our bikes last week, we look forward to seeing them again!

We had fabulous fun in Cooking Clubs last Friday, making Fruit Salad and yummy Fruit and Yogurt Smoothies...check the smoothie moustaches!

Remember it's important to come to school EVERYDAY, if you can't send your child for any reason please let us know.

Cheers,

*Joanne Dacy-Broome*
