## Principal's Report

Dear Parents and Families,  
Yesterday we finished our Swimming program at Lakes Aquadome with most students having completed four lessons. They should now feel a lot more confident about swimming over the summer this year.

As you can see in the calendar, the flower show is coming up, so if you have any spare cans from baked beans etc could you bring them up to school for our floral arrangements. We will also need some fresh cut flowers for our individual displays on Thursday please.

Awards last week went to: **Sophie Knight, Bryce Knight, Holly Schaefer and Bella Archer** for being Stars of the week, helping others and being the best they can be!

**The most important message I will remember is: You need to have adult supervision when taking medicine because it could go stale. Sara**

*Always read the medicine labels before you use them and take the right dose. Jazzy, Sophie and Alicia.*

**One new thing I learnt was: Medicine does not go to the tip. Sophie**

*Never take medicine on your own. Jazzy  
You need to read the medicine label for how to store it correctly. Sara*

*In USA they call a Chemist a Drugstore. Alicia*

If you have any questions about this program please see me or have a look at their website: [www.lifeeducation.org.au](http://www.lifeeducation.org.au)

**Cuppa and Catch up tomorrow morning in the library at school. Come along and taste some of the yummy goodies that Julie and her helpers have been cooking up for us and see who will share their work with us. I'd love to see you there!** Rianna and Jessie did a fabulous job last week.

This is a compulsory hats term, so please make sure your child/children have a school hat or at least a broad brimmed blue hat to wear daily. This is DET policy and very important, if your child doesn't have a hat they will have to play in the undercover area or shaded playground area. Thanks for all your support.

Cheers,
